

JABLOTRON CLOUD SECURITY DECLARATION

JABLOTRON CLOUD Services s.r.o., as a provider of Jablotron Cloud services and a partner of JABLOTRON ALARMS a.s., attaches huge importance to ensuring the integrity and confidentiality of all data and information entrusted to it by its users and handled in this context.

It sees the protection of its own and its clients' information as an integral and carefully managed set of balanced measures that aim to ensure the appropriate handling of all the important assets. It pays particular attention to protecting the personal data the Company processes in accordance with Regulation (EU) 679/2016 of the European Parliament and of the Council, the General Data Protection Regulation (GDPR).

The security of our own information and that entrusted to us is subject to strict internal security regulations, applied in the framework of an internal information security management system arising from the security requirements of ISO 27001 and general best practices (repeatedly confirmed by an independent audit from 2016-2020).

In the interest of ensuring maximum security, reliability and a high level of quality in the services provided in the cloud, JABLOTRON CLOUD Services s.r.o. selects only trustworthy and highly professional and technically proficient partners with many years of experience and flawless results.

As concerns the operational aspects and risk management for the JABLOTRON Cloud, JABLOTRON CLOUD Services s.r.o. cooperates with IBM Czech Republic, spol. s r.o., whose infrastructure, platform and related services have been successfully used in selected EU locations for a long time.

For JABLOTRON CLOUD Services s.r.o. and its clients, IBM, which has held the **ISO/IEC 27001:2013** certificate from the BVCH SAS UK Branch (*scope: The design, development and support of an infrastructure management system (IMS) and IAAS cloud offerings, using local and global capabilities*) since 2014, represents a sufficient guarantee of a highly qualified and professional approach in the field of security and data protection.

In Jablonec nad Nisou, 01.01.2022

David Benes
Executive Director
JABLOTRON CLOUD Services s.r.o.
